

HECAT: Chapter 3

OVERALL SUMMARY FORMS

Chapter 3 includes three forms. The *Individual Curriculum Summary Scores* form allows you to consolidate scores across Chapters and modules for a single curriculum. The *Multiple Curriculum Comparison Scores* form allows you to compare scores across multiple curriculum or grade groups. The third *Notes* form provides space to capture critical comments from throughout the HECAT.

You can use these forms for two purposes: To keep track of progress in completing the HECAT analysis; and as the basis of discussion and decisions with the curriculum review team.
